STEPHEN C. DRIES  
CLERK

Dear  
Judge

I Alex Terrell Adams, Do not know how to do these interrogatories Request, and production of documents Request, nor do I know how to Supplement My Complaint. I am asking to be appointed legal assistance to help me in these proceedings, it is My belief that it is highly probable that I am going to be this case without Counsel. I Mr. Adams do not know how to request production of document(s), or interrogatories I am already being hammered with legal documents by defendants and there Counsel. My inability and failure to answer questions correctly and fully coupled with My inexperience, This is why I am asking for appointment of Counsel.

Thank you.
